SECTION B - PROPOSAL INSTRUCTIONS

1. **ADDENDA**. The City will not accept responsibility for incomplete packages or missing addenda. It is the Consultant's sole responsibility to monitor the release of any addenda prior to submission of the proposal to make certain the package is complete, and all required addenda are included. All official information and guidance will be provided as part of this solicitation or written addenda. Addenda, if issued by the City, will be transmitted to each holder of record on file with the City. Addenda shall be signed and submitted, with the proposal. If addenda are not signed and submitted with the proposal response, the proposal may be deemed non-responsive and rejected.
2. **AWARDS**.
 - 2.1. The City reserves the right to waive any informality in any proposal.
 - 2.2. This RFP does not commit the City to award any contract, nor to pay any amount incurred in the preparation of the proposal. The City reserves the right to accept or reject all proposals received in response to this request, to negotiate with any qualified Consultant, or to cancel this RFP in part, or in its entirety. The City may require the selected Consultant to participate in negotiations and to submit such technical, price, or other revisions of the proposal as may result from negotiations. The City reserves the right to extend the time allotted for the proposal, and to request a best and final offer, should it be in City's best interest to do so.
 - 2.3. The proposal may be awarded in its entirety as proposed; however, the City reserves the right to award elements of the work, independently, and to do portions "in-house." Additionally, the City reserves the right to award subsequent work on this project based on information presented in this proposal, without recourse to a separate or subsequent RFP process, should it be in its best interest to do so.
 - 2.4. The city may make an award based on partial items unless the proposal submitted is marked "All or none." Where detailed specifications and/or standards are provided the City considers them to be material and may accept or reject deviations.
3. **BONDS**. No bonds are required for this project.
4. **COOPERATIVE BIDDING**. Other public agencies may be extended the opportunity to purchase off this solicitation with the agreement of the successful proposer(s) and the City of Pittsburg. The lack of exception to this clause in proposer's response will be considered agreement. However, the City of Pittsburg is not an agent of, partner to or representative of these outside agencies and is not obligated or liable for any action or debts that may arise out of such independently negotiated "piggy-back" procurements.
5. **DELIVERY**. Three (3) bound copies of the proposal as well as a complete digital file version in PDF shall be delivered to the City by the date and time shown on the notice to proposers. The digital file should be delivered via email to BZaeni@pittsburgca.gov.

6. **CITY BUSINESS LICENSE STATEMENT.** If awarded this Contract, the Consultant and each subconsultant employed in connection with this Contract, either has, or will obtain, a City of Pittsburg Business License prior to commencing any work under this Contract.
7. **PREPARATION.** All proposals and required forms must be submitted as instructed in the following document sections typed or written in black ink except signatures. Errors may be crossed out and corrected in ink, then initialed in ink by the person signing the proposal. In compliance with City Council Resolution 93-9, all proposals and attachments must be submitted double-sided on recycled paper.
8. **REJECTION.** The City reserves the right to reject any or all proposals and to waive any informality in any proposal. The City may reject the proposal of any proposer who has previously failed to perform properly, or complete on time, contracts of a similar nature, or to reject the proposal of a Consultant who is not in a position to perform such a contract satisfactorily. The City may reject the proposal of any proposer who is in default of the payment of taxes, licenses or other monies due to the City of Pittsburg.
9. **RENEWAL AND PRICING ADJUSTMENT.** Contracts entered into pursuant to this RFP may be renewed annually, up to four times, in accordance with the terms of the contract. If not otherwise stated, the contract may be renewed if the new pricing of the contract does not change more than the annual rate indicated by the Consumer Price Index for the San Francisco Bay Area.
10. **SUBCONSULTANTS.** For all projects, the Consultant must list any subconsultants that will be used, the work to be performed by them, and total number of hours or percentage of time they will spend on the project.
11. **SUBMITTING PROPOSALS.** Proposer's submittals shall conform to the following requirements:
 - 11.1. The response must be submitted on this form and include all forms provided or information requested or required by the scope of work or specifications.
 - 11.2. All documentation of unit pricing or other cost breakdowns as outlined in this proposal must be submitted to support the total proposed price.
 - 11.3. Proposals/corrections received after the closing time will not be accepted. The City will not be responsible for proposals not properly or timely submitted. Upon award, all submissions become a matter of public record.
12. **TERMINATION.** The City may terminate any purchase, service, or contract with or without cause either verbally or in writing at any time without penalty.
13. **SITE INSPECTION.** By submittal of this proposal the proposers acknowledge they have conducted a thorough inspection of the site of the proposed work and to their satisfaction is aware of the actual conditions that exists at the site of the proposed work which may affect the work involved in this Contract and the conditions thereof.
14. **LIMITATIONS.** All reports and pertinent data or materials shall be the sole property of the City of Pittsburg and may not be used or reproduced in any form without the explicit written permission of the City. The Consultant should expect to have access to only the public records and files of local government agencies in preparing the proposal or reports. No City staff assistance (in the form of primary work effort) should

be anticipated by the Consultant. Good business practices, such as the use of formal letters of request and the making of appointments should be followed. **The selected Consultant will be required to enter into and execute the City's Standard "Professional Services Agreement"(See Exhibit B).**

SECTION C - SCOPE OF WORK

INTRODUCTION/BACKGROUND - The City of Pittsburg (City) is located just a short BART ride from San Francisco, in eastern Contra Costa County, between the Delta waters and the foot of Mount Diablo. In 2009, the City completed the Railroad Avenue Specific Plan outlining various community resource improvements including improving street rights-of-way activating public spaces, reclaiming auto-oriented public realm for pedestrians and creating an expanded network of parks entry plazas and pedestrian friendly spaces.

Building on the specific plan goals, the City, with community input, designed the *Reviving the Heart of Pittsburg Pride* project honoring the history, diversity, ecology and culture, by implementing landscape and park improvements along a local corridor leading into the historic downtown on Railroad Avenue from Civic Avenue to 10th Street.

The proposed improvements will start at the medians on Railroad Avenue and Civic Avenue with new parks at Railroad and 17th Street, guiding the community and visitors into the downtown area with a Gateway Monument sculpture, spelling Pittsburg in large block letters. As you proceed down Railroad, underpass improvements will guide the community and visitors to the old town gateway culminating on 10th Street, with a welcoming gateway arch. The improvements focus on the following areas easily visible on Railroad Avenue: Park medians at **Project Site 1** (1400 SF) and **Project Site 2** (625 SF) will feature new platanus trees, California native drought tolerant understory plantings and colorful block sculptures; **Project Site 3** A new 10,000 SF proposed park, will see the addition of pathways, colorful, seating and pedestrian plaza with performance platform, to facilitate live music performances and promote community/cultural gatherings; **Project Site 4** a 9,000 SF N. Parkside Park and Median will host 6-8' block letters that spell Pittsburg. The aluminum letters will be elevated on block concrete retaining wall with brick veneer hand painted by the local schools. Improvements will also include native drought tolerant understory planting, new shade trees and seating. **Project Site 5** 19,000 SF underpass landscape corridor improvements will include drought tolerant native understory planting and new platanus trees. The corridor will feature sculptures with climbing vines and the underpass will feature a painted mural by a local artist (The local artist will be selected and commissioned directly by the City). **Project Site 6** Railroad Ave and 10th Street will include a new Arching Gateway Monument sign to welcome residents and visitors to historic old town Pittsburg.

The scope of work includes design, landscape architecture, civil engineering, survey and all supportive disciplines required to provide a complete set of construction plans, specifications, cost estimate as well as construction phase support. The Consultant team will also provide public outreach services and conduct public workshops for the project during the preliminary phase of the design process.

The proposed project will be designed to utilize reclaimed water for irrigation.

The total construction budget is anticipated to be around \$2.5 million. This project is funded by a state grant and all construction work must be completed, accepted by the City and fully billed out and paid before June 2024.

1. **OBJECTIVES** - The purpose of this RFP is to obtain the services of a well-qualified Consultant familiar with the work required under this RFP and capable of providing design services. The City is seeking a Consultant to perform design services in connection with the design and construction phases of this recreation facility. Services will include design development, preparation of construction plans, specifications and cost estimates, construction support, and record drawings.

The selected Consultant shall work closely with the City's Project Manager when preparing the preliminary site plan and design of the items included in the work statement below. It is extremely important that the Consultant work closely with City staff to successfully complete the project on schedule and on budget and protect the interest of the City.

2. **WORK STATEMENT** - Requested consulting services shall hereby consist of all items of work necessary to finalize the design and complete detailed Construction Plans, Specifications, and Cost Estimates of the site plan improvements. It is anticipated that the Consultant will provide the following services (this list is not intended to be all-inclusive or limiting):

- Complete Architectural design services
- Include at least three (3) alternative layouts for City selection of the preferred alternative
- Selection of materials, finishes, and fixtures (subject to City approval)
- Site Plan, including surveying
- Grading, Drainage and Soils
- Landscape Architectural and Irrigation design services

TASK 1: PRELIMINARY INVESTIGATION

- Meet with the City initially to discuss the scope, purpose, and pertinent details of the project.
- Obtain and review available reports, maps, data, and previous studies.
- Consultant shall conduct a field reconnaissance to assess existing conditions in vicinity of project site, focusing on factors that could potentially affect the project.
- Research of all existing underground and overhead utilities within the project areas.
- Survey of utilities and other existing improvements as needed.
- Pothole various locations to confirm information discovered through investigation above
- Provide the City with a copy of all collected survey and utility information, as well as any related correspondence.

TASK 2: PROJECT MANAGEMENT

- Develop a Project Development Team (PDT) – subject to City approval. Members of the PDT shall include the Consultant and subconsultants as required, City and other agency representatives, as necessary.
- Consultant shall schedule and conduct a kick-off meeting and Monthly PDT meetings.
- Consultant shall prepare Monthly Progress reports and supporting data. The progress report shall include accomplished tasks for the month, anticipated progress for the next month, pending issues and schedule completion target dates.
- Consultant shall have a quality control plan in effect during the entire course of the project.

TASK 3: DESIGN

- All design work shall be coordinated with the City and all Agencies that will be affected.
- Complete necessary design and construction approvals for the project from required Agencies to include City's Planning Development Review Committee approval. Provide all necessary plan check copies required by affected agencies.
- Confer and coordinate with affected Agencies and utility companies to identify design controls and considerations necessary for plan preparation and approvals.
- Map existing utilities on project base plans based on as-built obtained from utility companies.
- Conduct team meetings with affected Agencies to review project schedules, concepts, plans, and specifications. Prepare meeting minutes.
- Provide the City with an original complete set of plans and profiles, specifications, and cost estimate.
- Construction cost estimate shall include total cost, as well as subtotals for each category of work.
- All utility services and point of connections must be identified and requests for service submitted to the providers.
-

TASK 4: OUTREACH – PUBLIC WORKSHOP PRELIMINARY DESIGN

- Conduct up to two public workshop to share with the Community concept designs to seek feedback for consideration of inclusion in the project.
- The Project Team will present design alternatives based upon context, opportunities and constraints.

TASK 5: PERMITS

- Consultant shall assist the City with the acquisition of all permits, including the City's Building & Safety Division and Engineering Services Division.
- Consultant shall obtain any required permits from drainage, sewer and water services.
- Consultant shall obtain any required Federal and State permits

TASK 6: BID / CONSTRUCTION ADMINISTRATION

- a. Attend pre-bid meeting.
- b. During bid phase, respond to bidder questions regarding PS&E and prepare addendum(s).
- c. Attend pre-construction meeting.
- d. During construction phase, respond to contractor's questions regarding design, and review submittals. This will include assisting the City with any Requests for Information (RFI's) during bidding; preparation of any addendums, answering RFI's during construction review of shop plans during construction, and assisting the City with any Contract Change Orders (CCO's) during construction. Also, attend Monthly construction progress meetings on site as needed.

e. In addition to the tasks listed above, the Consultant shall also conduct the following services:

-Meet with the City approximately once a month to report on the progress of the work. A brief written summary of these meetings shall be prepared by the Consultant and submitted to the Project Manager.

-Provide electronic copy of all documents developed during the contracted period with the City. Drawings are to be developed on AutoCAD, and documents shall be prepared utilizing Microsoft programs, i.e., "Word," "Excel," "PowerPoint," and "Project." As built drawings shall be provided to the City in multiple formats, including GIS format.

The City expects the Consultant to prepare a comprehensive proposal with recommendations, actions, and procedures to accomplish the objectives set forth above. The City seeks a Consultant who is committed to providing high-quality work in a reasonable timeframe that meets all applicable state and federal regulations.

The City will provide all relevant data in its possession that pertains to this project in support of the Consultant's professional services. The City assumes no responsibility whatsoever with respect to the sufficiency or accuracy of any information supplied. The Consultant shall be responsible for evaluation of all information supplied by the City.

3. DESIGN REQUIREMENTS - The building design shall conform to the latest City's Zoning Ordinance, 2019 California Building Code, 2019 California Mechanical and Plumbing Code, 2019 California Electrical Code, 2019 California Energy Regulations, Green Building Standards, the City of Pittsburg's Adopted City Amendments, and the Americans with Disabilities Act.

SECTION D - RESPONSE FORMAT AND SELECTION CRITERIA

The proposal shall be submitted in the following format:

1. INTRODUCTION

A general introduction and description of the proposal and demonstration of the Consultant's understanding of the project shall be provided. The format of the introduction is at the discretion of the Consultant; however, a restatement of the City's objectives is suggested and should be provided.

2. QUALIFICATIONS OF FIRM AND ASSIGNED STAFF

Include the following:

- A Statement of Qualifications (SOQ).
- A brief company history of comparable work.
- A company brochure (if available).
- For each project, please include the name of the public agency (if applicable), location, type of project, year completed, and names of your staff involved.
- References and phone numbers of individuals responsible for projects listed above.

3. WORK STATEMENT

Describe the work program. Explain the proposed technical approach that addresses the specific issues identified in this RFP. Provide a description of the relationships between these activities. The organization of the plan of study should be as follows:

- **TASK:** An overview of a related group of subtasks or activities.
- **SUBTASK:** A detailed description of the work, including the methodology to be performed.
- **OUTPUT:** A description of the result of the activity or subtask.

The task, subtask, output format should be repeated throughout the plan of study until all the proposed work has been described.

4. SCHEDULE

Describe the time schedule for each proposed task and subtask described in the scope of work. Proposed work periods, milestones, and completion dates, as well as anticipated meeting dates, shall also be identified.

5. TOTAL BUDGET

The submitted proposal shall show a Not To Exceed budget for each task identified. Each task shall be broken down by subtask as identified in the scope of work. The estimate for each subtask shall be broken down by classifications, providing hourly billing rates for personnel, with the estimated total based on hour estimates. The estimate shall include all clerical, administrative, and support functions. The budget shall include provisions for meeting with the City to report progress of the work.

6. SUB-CONSULTANTS

List all subconsultants proposed for this project. Include their qualifications, previous experience, and specific responsibilities. On the form provided, list their name, address, telephone number, type of work to be performed by each subconsultant and total approximate dollar amount of each subcontract (Attachment C.)

SELECTION CRITERIA - As proposals are considered by the City to be more equal in their technical merit, the evaluated cost or price becomes more important so that when technical proposals are evaluated as essentially equal, cost or price may become the deciding factor.

Primary consideration will be given to the general appropriateness of the proposal for the project, the technical competence and creative ability of the Consultants (as described in the proposal) and the firm's willingness to work closely with City staff and other professionals. The City reserves the right to reject all proposals that are inappropriate, inadequate, or are otherwise non-responsive to the City's needs.

A cross department team of City Staff Members, will evaluate all proposals for adequacy, technical competence and suitability of the Consultant. Selection will be based on the content of the written proposal received by the City, and additional information received in follow-up interviews as deemed necessary. The Consultant's commitment of staff to the project will also be heavily weighted in the selection process. Only staff who will in fact be committed to the project should be set forth in the proposal and participate in the interview process of the City.

The City will select one firm with which to negotiate an agreement for services, and the selected firm will be notified by letter of the City's decision. If a contractual agreement cannot be reached with the first selection, the City may elect to negotiate with other qualified participating firms. The City reserves the right to select a Consultant based on the review of the proposals, or to request the top candidates to participate in an oral interview for this project. All respondents to the RFP will be notified of the results of the selection process.

During the selection process, the evaluation panel may wish to interview the proposers with scores above a natural break. Should an interview process take place, the results of the interview will carry greater weight in the selection process. The City reserves the right to make a selection solely on the basis of the proposals without further contact.

The Consultant must be willing to execute the City's Standard Professional Agreement without any revision.
