

**Professional Services For
CONTRACT 2022-23
Frontage Road Living Green Trail**

ADDENDUM 1

This addendum consists of two pages amending the Request for Qualifications (RFQ) Documents. All prospective consultants for the above-referenced project are to be aware that the following changes, additions and/or clarifications shall be included as an integral part of the RFQ Documents for the above-referenced project, and that they are bounded by all conditions set forth therein.

ALL PROSPECTIVE CONSULTANTS are hereby notified that changes to the RFQ documents for Contract 2022-23 Frontage Road Living Green Trail Project are to be made as described hereinafter.

ADDITIONAL INFORMATION:

Items 2 and 8 under **Project Description** have been expanded to state the following:

2. Bioretention features to treat runoff from trail and portion of Frontage Rd. Designs may incorporate a potential road diet to extend bioretention features and bulb outs into the existing roadway.
8. Storm drainage design may incorporate a road diet to utilize existing grades to capture runoff from Frontage Rd.

RFQ DUE DATE – The RFQ due date is **September 16, 2022, at 4:00 PM.**

CONSULTANTS MUST SIGN AND ATTACH one (1) copy of this addendum document to the RFQ submittal as acknowledgment of receipt of these instructions and that said addendum was properly evaluated in the RFQ submittal.

THE CITY MAY REJECT ANY RFQ SUBMITTAL NOT IN COMPLIANCE WITH THIS ADDENDUM.

Issued: September 1, 2022

Richard Abono
City Engineer/Public Works Director
