SECTION B - PROPOSAL INSTRUCTIONS

1. **ADDENDA**. The City will not accept responsibility for incomplete packages or missing addenda. It is the Consultant's sole responsibility to monitor the release of any addenda prior to submission of the proposal to ensure the submitted proposal package is complete, and all required addenda are included. All official information and guidance will be provided as part of this solicitation or written addenda. Addenda, if issued by the City, will be posted to City's website as well as any responses to questions received by the deadline, if deemed necessary by the City. Addenda shall be signed and submitted, with the proposal. If addenda are not signed and submitted with the proposal response, the proposal can be deemed non-responsive and may, at the City's sole discretion, be rejected.
2. **AWARDS**.
 - 2.1. The City reserves the right to waive, at the City's sole discretion, any informality in any proposal.
 - 2.2. This RFP does not commit the City to award any contract, nor to pay any amount incurred in the preparation of any proposal. The City reserves the right to accept or reject all proposals received in response to this request, to negotiate with any qualified Consultant, or to cancel this RFP in part, or in its entirety. The City may require the selected Consultant to participate in negotiations and to submit such technical, price, or other revisions of the proposal as may result from negotiations. The City reserves the right to extend the time allotted for the proposal, and to request a best and final offer, should it be in City's best interest to do so.
 - 2.3. The proposal may be awarded in its entirety as proposed; however, the City, in its sole discretion, reserves the right to award elements of the work, independently, and to do portions "in-house." Additionally, the City reserves the right to award subsequent work on this project based on information presented in this proposal, without recourse to a separate or subsequent RFP process, should it be in the City's best interest to do so.
 - 2.4. The City may make an award based on partial items unless the proposal submitted is marked "All or none." Where detailed specifications and/or standards are provided the City considers them to be material and may accept or reject deviations.
3. **BONDS**. No bonds are required for this project.
4. **COOPERATIVE BIDDING**. Does not apply.
5. **DELIVERY**. Three (3) bound copies of the proposal as well as a complete digital file version in PDF shall be delivered to the City by the date and time shown on the notice to proposers.
6. **CITY BUSINESS LICENSE STATEMENT**. If awarded this Contract, the Consultant and each subconsultant employed in connection with this Contract, either has, or shall obtain, a City of Pittsburgh Business License prior to commencing any work under this Contract.
7. **PREPARATION**. All proposals and required forms shall be submitted as instructed in the following document sections typed or written in black ink except signatures which shall be signed in blue ink. Errors may be crossed out and corrected in ink, then initialed in blue ink by the person signing the proposal. All proposals and attachments shall be submitted double-sided on recycled paper.

8. **REJECTION**. The City, in its sole discretion, reserves the right to reject any or all proposals and to waive any informality in any proposal. The City may reject the proposal of any proposer who has previously failed to perform properly, or complete on time, contracts of a similar nature, or to reject the proposal of a Consultant who is not in a position to perform such a contract satisfactorily. The City may reject the proposal of any proposer who is in default of the payment of taxes, licenses or other monies due to the City of Pittsburgh.
9. **RENEWAL AND PRICING ADJUSTMENT**. Does not apply.
10. **SUBCONSULTANTS**. For all projects, the Consultant must list any subconsultants that will be used, the work to be performed by them, and total number of hours or percentage of time they will spend on the project. The markup on subconsultants shall not exceed 5%.
11. **SUBMITTING PROPOSALS**. Proposer's submittals shall conform to the following requirements:
 - 11.1. All documentation of unit pricing or other cost breakdowns as outlined in this proposal must be submitted to support the total proposed price.
 - 11.2. Proposals/corrections received after the closing time will not be accepted. The City will not be responsible for proposals not properly or timely submitted. Upon award, all submissions become a matter of public record.
12. **TERMINATION**. The City may terminate any purchase, service, or contract with or without cause either verbally or in writing at any time without penalty.
13. **SITE INSPECTION**. By submitting this proposal, the proposer acknowledges that the proposer has conducted a thorough inspection of all the sites of the proposed work and satisfied themselves that the proposer is fully aware of the actual existing site conditions which may affect and impact the work involved in this Contract and the conditions thereof.
14. **LIMITATIONS**. All reports and pertinent data or materials shall be the sole property of the City of Pittsburgh and may not be used or reproduced in any form without the explicit written permission of the City. The Consultant should expect to have access to only the public records and files of local government agencies in preparing the proposal or reports. No City staff assistance (in the form of primary work effort) should be anticipated by the Consultant. Good business practices, such as the use of formal letters of request and the making of appointments shall be followed. **The selected Consultant shall be required to enter into and execute the City's Standard "Professional Services Agreement" (See Exhibit A).**

SECTION C - SCOPE OF WORK

1. INTRODUCTION AND PROJECT BACKGROUND - The City of Pittsburg (City) intends to retain a qualified and committed professional firm (Consultant) to provide assessment and analysis of the existing conditions of traffic signage and striping at the locations listed below (and fully described in Exhibit B and shown in Exhibit C) and to prepare plans, specifications, and cost estimate suitable for public bidding. The roadways involved are as follows:

Project Locations

Railroad Avenue
Kirker Pass Road
Willow Pass Road/West 10th Street
Bailey Road
Pittsburg-Antioch Highway
East Leland Road
Loveridge Road
Buchanan Road
East 10th Street
Harbor Street
North Parkside Drive
California Avenue
Century Boulevard
East 14th Street

The proposed project is for the installation and or upgrade of signs with new fluorescent sheeting as well as the completion of a City-wide roadway safety signing audit. Project improvements also include modifications to edge-line and centerline striping. There are also incidental paving surface treatments that are envisioned to provide suitable surface for installation of new striping. The limits and quantity of pavement work shall be determined by the need for traffic safety and practicality of these improvements on old and delaminated surfaces, as permitted by the funding agency.

The total construction budget is anticipated to be around \$2.5 million.

2. OBJECTIVES - The purpose of this RFP is to obtain the services of a well-qualified Consultant familiar with the work required under this RFP and **Caltrans' Local Assistance Procedures**, and capable of providing all the necessary base mapping, assessments, audits, analysis and design services and processing through Caltrans.

The City plans to replace out of date speed limit signs on all arterial corridors with oversized signs, and oversized stop signs at un-signalized locations where appropriate, to provide more visibility for passing motorists. Along with that, standard replacement, relocation, and installation of warning and regulatory signs, will be researched as part of the City's Roadway Safety Sign and Safety Audit (to be completed as part of this project). All signs will be reviewed for their location, size, information, and retro-reflectivity per CA MUTCD. Any and all missing signs per the California MUTCD will be identified and replaced, and a sign replacement plan will be created and implemented to maintain sign retro-reflectivity for all city signs. In addition to the sign upgrades, the project will also include a wide-scale striping audit expected to identify non-standard striping/markings features, no passing zone limits needing adjustments, and missing striping/markings.

3. WORK STATEMENT – The requested consulting services shall consist of all items of work necessary to finalize the design and complete detailed Construction Plans, Specifications, and Cost Estimates of the striping and signage improvements. It is anticipated that the consultant will provide the following services (this list is not intended to be all-inclusive or limiting):

- a. Analysis of what improvements are needed at what locations
- b. Site Plans, including Base Mapping
- c. Sign and Striping Plans
- d. Paperwork for State Funded Projects
- e. Traffic engineering

The consultant shall prepare a site plan showing existing and proposed improvements including any other improvements that will serve the proposed purpose of this project.

The proposal shall address all the relevant issues to this project in detail, however at a minimum, must include the following tasks:

TASK 1: PROJECT MANAGEMENT

- Develop a Project Development Team (PDT) subject to City approval. Members of the PDT shall include the Consultant and required subconsultants, City and other agency representatives, as necessary.
- Schedule and conduct a kick-off meeting and Monthly PDT meetings. (Monthly PDT meetings may be conducted virtually)
- Prepare Monthly Progress reports and supporting data. The progress report shall include accomplished tasks for the month, anticipated progress for the next month, pending issues and schedule completion target dates.
- Consultant shall have a quality control plan in effect during the entire course of the project.

TASK 2: PRELIMINARY INVESTIGATION AND MAPPING

- Meet with the City to discuss the scope, purpose, and pertinent details of the study.
- Obtain and review available reports, maps, data, and records.
- Prepare base mapping, as necessary, to be used in preparation of the design.
- Conduct field reconnaissance to assess existing conditions.
- Provide the City a copy of all collected data, photos and correspondence.

TASK 3: ANALYSIS AND DESIGN

- Analyze the existing data and propose improvements to meet the needs of the project consistent with its grant application for state funding.
- Prepare a complete set of plans, specifications, and cost estimate for the proposed improvements. Construction cost estimate shall include total cost, as well as subtotals for each category of work.

- The design shall satisfy latest version of The City of Pittsburg Standard Plans/Specifications, MUTCD Manual and Caltrans Standards.

TASK 4: PROCESSING AND APPROVAL ASSISTANCE

- Assist the City during project approval process through Caltrans as required for Highway Safety Improvement Projects (HSIP).

The City expects the Consultant to prepare a comprehensive proposal with recommendations, and proposed actions to accomplish the objectives set forth above. The City seeks a Consultant who is committed to providing high-quality work in a reasonable timeframe that meets all applicable state and federal regulations.

The City will provide all relevant data in its possession that pertains to this project in support of the Consultant's professional services. The City assumes no responsibility whatsoever with respect to the sufficiency or accuracy of any information supplied. The Consultant shall be responsible for evaluation of all information supplied by the City.

SECTION D - RESPONSE FORMAT AND SELECTION CRITERIA

The proposal shall be submitted in the following format:

1. INTRODUCTION

A general introduction and description of the proposal and demonstration of the Consultant's understanding of the project shall be provided. The format of the introduction is at the discretion of the Consultant; however, a restatement of the City's objectives is suggested and should be provided.

2. QUALIFICATIONS OF FIRM AND ASSIGNED STAFF

Include the following:

- A Statement of Qualifications (SOQ).
- A brief company history of comparable work.
- A company brochure (if available).
- For each project, please include the name of the public agency (if applicable), location, type of project, year completed, and names of your staff involved.
- References and phone numbers of agency, or other, individuals responsible for projects listed above.

3. WORK STATEMENT

Describe the work program. Explain the proposed technical approach that addresses the specific issues identified in this RFP. Provide a description of the relationships between these activities.

The organization of the plan of study should be as follows:

- **TASK:** An overview of a related group of subtasks or activities.
- **SUBTASK:** A detailed description of the work, including the methodology to be performed.
- **OUTPUT:** A description of the result of the activity or subtask.

The task, subtask, output format should be repeated throughout the plan of study until all the proposed work has been described.

4. SCHEDULE

Describe the time schedule for each proposed task and subtask described in the scope of work. Proposed work periods, milestones, and completion dates, as well as anticipated meeting dates, shall also be identified.

5. TOTAL BUDGET AND FEE

1-Budget Hours -The submitted proposal shall show a Not-To-Exceed hours budget for each task identified. Each task shall be broken down by subtask as identified in the scope of work. The estimate for each subtask shall be broken down by classifications, with the estimated total based on hour estimates. The estimate shall include all clerical, administrative, and support functions. The budget shall include provisions for meeting with the City to report progress of the work.

2- Fee - (Sealed Envelope) – Fee schedule shall be submitted in a separate sealed envelope (or shall be submitted in a PDF file for electronic submittals).The submitted fee schedule shall be Cost-Plus-Fixed Fee and have a Not-To-Exceed limit as per details of budget hours discussed above and be in conformance with Exhibit 10H of Caltrans' Local Assistance Manual.

6. SUB-CONSULTANTS

List all subconsultants proposed for this project. Include their qualifications, previous experience, and specific responsibilities. On the form provided, list their name, address, telephone number, type of work to be performed by each subconsultant and total approximate dollar amount of each subcontract (Attachment C.) The markup on subconsultants shall not exceed 5%.

SELECTION CRITERIA

Primary consideration will be given to the general appropriateness of the proposal for the project, the technical competence and creative ability of the Consultants (as described in the proposal) and the firm's willingness to work closely with City staff and other professionals. The City reserves the right to reject all proposals that are inappropriate, inadequate, or are otherwise non-responsive to the City's needs.

A team of City staff, will evaluate all proposals for adequacy, technical competence and suitability of the Consultant. Selection will be based on the content of the written proposal received by the City, and additional information received in follow-up interviews as deemed necessary. The Consultant's commitment of staff to the project will also be heavily weighted in the selection process. Only staff who will in fact be committed to the project should be set forth in the proposal and participate in the interview process of the City.

EVALUATION CRITERIA

The City will evaluate proposals based on the following factors, with maximum points listed for each category:

- a. Firm Qualifications (10 points): Technical experience in performing work of a similar nature, experience working with public agencies, record of completing work on schedule, strength and stability of the firm, and assessments of client references.
- b. Team Qualifications (30 points): Experience of and references for key team members on assignments, similar in complexity and requirements.
- c. Demonstrated Understanding of the Project Requirements (25 points): Familiarity with available technology and implementation methods, and recognition of potential project challenges. Potential value added through innovative approaches to the final project organization and functionality.
- d. Defined Scope, Approach, and level of effort (25 points): Appropriate tasks and deliverables in scope of work. The proposed schedule is responsive and realistic.
- e. Overall Responsiveness to the RFP (10 points)

The City may select one firm with which to negotiate an agreement for services, and the selected firm will be notified by letter or email of the City's decision. If a contractual agreement cannot be reached with the first selection, the City may elect to negotiate with other qualified participating firms. The City reserves the right to select a Consultant based on the review of the proposals, or to request the top candidates to participate in an oral interview for this project. All respondents to the RFP will be notified of the results of the selection process.

During the selection process, the evaluation panel may wish to interview the proposers with scores above a natural break. Should an interview process take place, the results of the interview will carry greater weight in the selection process. The City reserves the right to make a selection solely on the basis of the proposals without further contact.

The Consultant must be willing to execute the City's Standard Professional Agreement without any revision.
