

Notice Inviting Bids

1. **Bid Submission.** City of Pittsburg (“City”) will accept sealed bids for its Corporation Yard Fueling System Replacement Project (“Project”), by or before Thursday December 21, 2023, at 2:00 p.m., at its City Engineer office, located at 65 Civic Avenue, First Floor, Pittsburg, California, at which time the bids will be publicly opened and read aloud.
2. **Project Information.**
 - 2.1 **Location and Description.** The Project is located at the Environmental Center at 2581 Harbor St, Pittsburg, CA 94565 and the primary components are generally described as follows:
 1. Demolition and Removal of (E) 1000 gal. Gasoline Tank and associated Gasoline Fuel Dispensing Equipment
 2. Provide new or Salvage / re-use (E) OPW PetroVend model: PV200 Fuel Island Controller.
 3. Install (N) 12,000 gal. UL 2085 AST Fuel Tank partitioned for 8,000 gal. Gasoline / 4,000 gal. Diesel. The City of Pittsburg to provide the 12,000 gal. Fuel Tank to be installed by the Contractor.
 4. Construct Structural Concrete Tank Pad, Tank Anchorage, Containment, Protective Bollards, etc.
 5. Furnish & Install Fuel Dispensing Equipment consisting of, but not limited to;
 - a. Qty 2 – 2Hp Submersible (Turbine) Fuel Pumps and Controllers
 - b. Qty 2 – Fuel Dispensing and Metering
 - c. Qty 2 – Remote Fuel Dispensers
 - d. Qty1 – Phase 1 Enhanced Vapor Recovery (EVR) System
 - e. Misc. Piping, Fittings, Valves, Instrumentation, Equipment, etc. – as required to construct a working Fleet Gasoline and Diesel Storage and Fueling System
 6. Furnish and Install Fuel Management System using (E) and (N) Equipment compatible with the City of Pittsburg’s (E) Fuel Management System.
 7. Furnish and Install (N) Electrical Infrastructure as required to Power and Control Fuel Dispensing and Tank Monitoring Systems.
 8. Construct (N) 10” Concrete Masonry Unit (CMU) Concealment Wall, 10’Ht x ~86 LF.
 9. Construct (N) 19’ Automatic Sliding Entry Gate and associated 8’ Chain Link fencing at the west entry point to the Environmental Center.
 10. Furnish and Install (N) Diesel Exhaust Fluid (DEF) Fabricated Enclosure, Dispensing and Metering Equipment. DEF Dispensing system to be tied into the PetroVend Fuel Management System.
 - 2.2 **Time for Final Completion.** The Project must be fully completed within 90 calendar days from the start date set forth in the Notice to Proceed. City anticipates that the Work will begin on or about January 29, 2024, but the anticipated start date is provided solely for convenience and is neither certain nor binding.
3. **License and Registration Requirements.**
 - 3.1 **License.** This Project requires a valid California contractor’s license for the following classification(s): Class A and Hazardous Waste Class HAZ.
 - 3.2 **DIR Registration.** City may not accept a Bid Proposal from or enter into the Contract with a bidder, without proof that the bidder is registered with the California

Department of Industrial Relations (“DIR”) to perform public work pursuant to Labor Code § 1725.5, subject to limited legal exceptions.

4. **Contract Documents.** The plans, specifications, bid forms and contract documents for the Project, and any addenda thereto (“Contract Documents”) may be downloaded from City’s website located at <https://www.pittsburgca.gov/business/current-bidding-opportunities>. A printed copy of the Contract Documents are not available.
5. **Bid Security.** The Bid Proposal must be accompanied by bid security of ten percent of the maximum bid amount, in the form of a cashier’s or certified check made payable to City, or a bid bond executed by a surety licensed to do business in the State of California on the Bid Bond form included with the Contract Documents. The bid security must guarantee that within ten days after City issues the Notice of Potential Award, the successful bidder will execute the Contract and submit the payment and performance bonds, insurance certificates and endorsements, and any other submittals required by the Contract Documents and as specified in the Notice of Potential Award.
6. **Prevailing Wage Requirements.**
 - 6.1 **General.** Pursuant to California Labor Code § 1720 et seq., this Project is subject to the prevailing wage requirements applicable to the locality in which the Work is to be performed for each craft, classification or type of worker needed to perform the Work, including employer payments for health and welfare, pension, vacation, apprenticeship and similar purposes.
 - 6.2 **Rates.** The prevailing rates are on file with the City and are available online at <http://www.dir.ca.gov/DLSR>. Each Contractor and Subcontractor must pay no less than the specified rates to all workers employed to work on the Project. The schedule of per diem wages is based upon a working day of eight hours. The rate for holiday and overtime work must be at least time and one-half.
 - 6.3 **Compliance.** The Contract will be subject to compliance monitoring and enforcement by the DIR, under Labor Code § 1771.4.
7. **Performance and Payment Bonds.** The successful bidder will be required to provide performance and payment bonds, each for 100% of the Contract Price, as further specified in the Contract Documents.
8. **Substitution of Securities.** Substitution of appropriate securities in lieu of retention amounts from progress payments is permitted under Public Contract Code § 22300.
9. **Subcontractor List.** Each Subcontractor must be registered with the DIR to perform work on public projects. Each bidder must submit a completed Subcontractor List form with its Bid Proposal, including the name, location of the place of business, California contractor license number, DIR registration number, and percentage of the Work to be performed (based on the base bid price) for each Subcontractor that will perform Work or service or fabricate or install Work for the prime contractor in excess of one-half of 1% of the bid price, using the Subcontractor List form included with the Contract Documents.
10. **Instructions to Bidders.** All bidders should carefully review the Instructions to Bidders for more detailed information before submitting a Bid Proposal. The definitions provided in Article 1 of the General Conditions apply to all of the Contract Documents, as defined therein, including this Notice Inviting Bids.
