

NIT NOTES 10-21-23

- 1- What is the Beige box at Marina?
It is a Marina patrol substation.
- 2- We can have more officers on Buchanan Road in the mornings?
We will investigate this.
- 3- What do we do with cars doing Donuts?
Get the license plate and call the police at 925-646-2441.
- 4- Thank you for the community events.
- 5- Do we have a community awareness Wellness event related to CERT?
Because of COVID we had to push it back, but we are coordinating looking to getting the program and added a Spanish one. CERT collabs with PD+ Red Cross working to get CERT back up and running.
- 6- Should we not call in Donuts & just take a video/pic? Please call us, it is a priority called 911 and you will be directed. – for example, there was a black Mustang, that took two months, but we got them, and we would not have not gotten them, if we did not get a call regarding the black Mustang doing Donuts.
- 7- Where can photos and videos be submitted to PD?
Call and an officer will come out. We are working on being able to provide you with a QR code where you will be able to drop it and it will be uploaded. If you do not feel comfortable calling an officer, you can come to our station.
- 8- People run stop signs and speed by La Veranda-even when kids are present.
- 9- Rip rap at end of jetty is losing rocks-on radar for repair.
- 10- Baywalk , teaming up with the power plant stack, is there an intent to replace them with something? They are 450 feet high contractor that will be taking down and the contractor is planning on replacing it with something but not as high.
- 11- do Hotels lead to Convention Center?
Dream courts can be used as a convention center or other events.
- 12- Pedestrian bridge over Bailey to BART?
It belongs to the county they will be addressing.
- 13- Outlaw artificial turf and state/Will City Council vote that in?
- 14- Water treatment plant-will there be something put in place to protect the homes from the debris when renovation is going on?
Yes, we are requiring the contractor to do dust control and have a dust control plan. However, if you do experience any problem call us.
- 15- For recreation, would the city focus on the under 25?
That is something we can investigate, a youth program which is 21 and under. We are looking for more ideas, please share them with us.
- 16- Can we have a motivational speaker? Yes, provide information. I will talk to you after to further discuss this.
- 17- Marriott/Home2Suites -is this city focusing on upcoming conventions to fill hotels? Is there a demand for hotels?
Yes, the two different hotels will cater to different populations, the Marriott will attract individuals that will be targeting people. The Home2 Suite will cater to people who want to stay longer with all the construction around the city, we think this will be a good fit. The market is

asking for this, the hotels are the ones who approached us. We will also see individuals from the police Academy. There is a demand for it.

- 18- Railroad Ave. traffic is horrible, do we have any plans to improve? We do monthly meetings with City Engineer and public works. We have a couple grants and newer technology to try to improve the flow, we can't make capacity wider, we must make it more efficient. We have 3100 students at Pittsburg High School. In June and July, we work with schools to remodel their traffic to see how we can make it safe with a better traffic flow. We are seeing young drivers not wanting to drive at 16 or later which leads to more parents being there.
- 19- Does the city have visions like Todos Santos Plaza?
- 20- The City needs a Genoa Deli.
- 21- Thank you to all directors and staff, we should have these meetings quarterly.
- 22- Rd. Ave. Traffic horrible, especially When school is letting out - plans to fix traffic congestion? - traffic grants received.
- 23- Waterfront, what is happening with the ferry? Contra Costa County is the lead. We should see the report by the end of the year.
- 24- Premier field - 3 - 8 soccer fields/bathrooms/food trucks/parking
- 25- Traffic- Hwy. 4 California- can more lanes be added? (Caltrans)
- 26- Can Marina center have a place for kids to just hang out and not play sports?
Yes, we currently have kids who come and just sit at the gym. We are working on getting video games and a study hall.
- 27- Can we use Engage Pittsburg to report downed trees?
Yes, use drop down menus for choices to report.
- 28- Are there any plans to put safety crossings by bus stop to cross over to Marina center?
Most kids come and cross at black diamond where is safer. There is concern at that location when the sun is setting is hard to see kids crossing.
- 29- This is a great meeting; how can we maximize and have more people to join?
We use social media, but we need people like you to take this and bring it to the community.
