**I. INSTRUCTIONS TO PROPOSERS**

On December 19, 2023, the State Water Board (SWB) adopted the Cross-Connection Control Policy Handbook (CCCPH). The CCCPH became effective July 1, 2024, and will replace Title 17, the original statute governing cross connection controls on January 1, 2025. The purpose of the CCCPH is the protection of public health through the establishment of standards to protect the public water system's potable distribution system through the prevention of any potential backflow or back-siphonage of water from end-user sources back into the potable distribution system. The City falls under the CCCPH definition of a "community water system" and is subject to the CCCPH requirements

NOTICE IS HEREBY GIVEN that the CITY OF PITTSBURG (herein called the "City") is seeking proposals from qualified consultants with a detailed understanding of the State Water Resources Control Board Cross-Connection Control Policy Handbook (CCCPH) requirements, to assist the City with the implementation of a hazard assessment and the preparation of a Cross-Connection Control Plan (CCCP). Interested firms or consultants are invited to submit their responses in conformance with criteria outlined below. Please see Scope of Work/Services for task details.

The City of Pittsburgh currently services 19,476 water customers using semi manual meters.

#### **V. PROPOSAL EVALUATION AND SELECTION CRITERIA**

Proposals will be evaluated by a committee of City staff or other individuals selected by the City and familiar with the subject matter of the project. The panel will make a recommendation to the City Manager and/or City Council of the City of Pittsburg for final selection of a Consultant and award of a contract.

**Preliminary Evaluation.** The proposals will be reviewed initially to determine if mandatory requirements are met. Failure to meet mandatory requirements may result in rejection of the proposal. In the event that all vendors do not meet one or more of the mandatory requirements, the City reserves the right to continue the evaluation of the proposals and to select the proposals which most closely meets the requirements specified in the RFP.

**Proposal Scoring.** Accepted proposals will be reviewed by an evaluation committee and scored against the stated criteria. A Proposer may not contact any member of the evaluation committee except at the City’s direction. The committee may review references, request interviews, and conduct on-site visits and use the results in scoring the proposals. The evaluation committee’s scoring will be tabulated and proposals ranked based on the numerical scores received.

**Evaluation Criteria.** The award evaluation consists of four (4) criteria used to evaluate each RFP response and determine final score in ranking. The percentages assigned specify value within the RFP. The weights specify percentage values within each criterion

Each member of the evaluation panel shall be accorded equal weight in his or her rating of proposals. The evaluation panel members shall evaluate the proposals according to the specified criteria and numerical weightings set forth below:

**EVALUATION CRITERIA (POINTS)**

All interested parties are encouraged to submit proposals to the RFP, as the award is not based solely on the lowest cost proposal submitted. Total cost will be taken into consideration, but the Proposer's capabilities, competence and capacity will be considered as well. The City reserves the right to choose the overall best firm according to the City's criteria. The City, and its designated representatives, shall be the sole judge of its own best interest, the proposal, and the resulting negotiated agreement. The City's decision will be final.

The above factors, along with other factors that the City may deem appropriate, will be used to identify the proposal that represents the best value, which will be the basis for the contract award.

The City Manager or City Council may award the contract to a Proposer other than the Proposer receiving the highest overall rating in the event the City Council determines that another Proposer from among those technically qualified would provide the best value to the City of Pittsburg considering cost and other factors. The determination shall be based on the Evaluation Criteria contained in the Request for Proposal, on evidence provided in the proposal and on any other evidence provided during the proposal review process. Evidence provided during the proposal review process is limited to clarification by the Proposer of information presented in the proposal.

During the selection process, the evaluation panel may wish to interview some Proposers for clarification purposes ONLY. No new material will be permitted at this time. Selection will be made

based upon the above-described criteria and rating factors. The selection will be made by and is subject to City Manager and/or City Council approval.

THE CITY OF PITTSBURG AND  
NAME OF CONSULTANT

THIS Agreement ("Agreement") for consulting services is made by and between the City of Pittsburg ("City") and \_\_\_\_\_, a California [corporation] [limited liability company] ("Consultant") (together referred to as the "Parties") as of \_\_\_\_\_, 20\_\_ (the "Effective Date").

- 1.2 **Standard of Performance.** Consultant shall perform all services required pursuant to this Agreement according to the standards observed by a competent practitioner of the profession in which Consultant is engaged.
- 1.3 **Assignment of Personnel.** Consultant shall assign only competent personnel to perform services pursuant to this Agreement. In the event that City, in its sole discretion, at any time during the term of this Agreement, requests in writing the reassignment of any such persons to ensure Consultant performs services in accordance with the Standard of Performance, Consultant shall, immediately upon receiving City's request, reassign such persons.
- 1.4 **Time.** Consultant shall devote such time to the performance of services pursuant to this Agreement as may be reasonably necessary to meet the standard of performance provided herein above and to satisfy Consultant's obligations hereunder.

**Section 2. COMPENSATION.** City hereby agrees to pay Consultant a sum not to exceed \_\_\_\_\_ (\$ \_\_\_\_\_), as set forth in Exhibit B, attached hereto and incorporated herein for services to be performed and reimbursable expenses incurred under this Agreement. This dollar amount is not a guarantee that the City will pay that full amount to the Consultant, but is merely a limit of potential City expenditures under this Agreement.

## APPENDIX C

Consultant and City acknowledge and agree that compensation paid by City to Consultant under this Agreement is based upon Consultant's estimated costs of providing the services required hereunder, including salaries and benefits of employees and subcontractors of Consultant. Consequently, the parties further agree that compensation hereunder is intended to include the costs of contributions to any pensions and/or annuities to which Consultant and its employees, agents, and subcontractors may be eligible. City therefore has no responsibility for such contributions beyond compensation required under this Agreement.

**2.3 Final Payment.** Consultant shall submit its final invoice within 60 days of completing its services. Consultant's failure to submit its final invoice within this 60 day period shall constitute Consultant's waiver of any further billings to, or payments from, City.

**2.4 Reimbursable Expenses.** Reimbursable expenses, if any, are specified in Exhibit B and included in the total compensation referenced in Section

## APPENDIX C

2. Expenses not listed in Exhibit B are not chargeable to, or reimbursable by, City.

## APPENDIX C

**4.4.5 Waiver of Subrogation.** Consultant hereby agrees to waive subrogation which any insurer or contractor may require from Consultant by virtue of the payment of any loss. Consultant agrees to obtain any endorsements that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

Acceptance by City of insurance certificates and endorsements required under this Agreement does not relieve Consultant from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damage or claims for damages whether or not such insurance policies shall be determined to apply.

- 5.2 PERS Indemnification.** In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

In addition to the foregoing, Consultant and any subcontractors shall obtain and maintain during the term of this Agreement valid business licenses from City.

- 7.4 Nondiscrimination and Equal Opportunity.** Consultant shall not discriminate, on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, genetic information, marital status, sex, sexual orientation, gender or gender identity, against any employee, applicant for employment, subcontractor, bidder for a subcontract, or participant in, recipient of, or applicant for any services or programs provided by Consultant under this Agreement. Consultant shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including but not limited to the satisfaction of any positive obligations required of Consultant thereby.

**8.5.5** The remedies mentioned in this Agreement are not exclusive of any other right, power or remedy permitted by law. The City's failure or delay in exercising any remedy shall not constitute a waiver of such remedy or preclude the further exercise of City's rights.

### **Section 9. KEEPING AND STATUS OF RECORDS.**

**9.1 Records Created as Part of Consultant's Performance.** All final versions of reports, data, maps, models, charts, studies, surveys, photographs, memoranda, plans, studies, specifications, records, files, or any other documents or materials, in electronic or any other form, that Consultant prepares or obtains pursuant to this Agreement and that relate to the matters covered hereunder shall be the property of the City. Consultant hereby agrees to deliver those documents to the City upon termination of the Agreement, and the City may use, reuse or otherwise dispose of the documents without Consultant's permission. It is understood and agreed that the documents and other materials, including but not limited to those described above, prepared pursuant to this Agreement are prepared specifically for the City and are not necessarily
