# SPEED HUMP APPLICATION FORM

---

City of Pittsburg, Engineering Department – 65 Civic Avenue, Pittsburg, CA 94565 – Phone (925) 252-4930

Name: \_\_\_\_\_ Date: \_\_\_\_ / \_\_\_\_ / \_\_\_\_

Address: \_\_\_\_\_

Daytime Phone: (\_\_\_\_) \_\_\_\_\_

---

I. I am applying for the installation of Speed Hump(s) on \_\_\_\_\_,  
(Street Name)  
between \_\_\_\_\_ and \_\_\_\_\_.  
(Cross Street A) (Cross Street B)

- Check here if applying for entire length of street.

---

II. I have attached a preliminary petition with signatures from 10 households or 10% of the households (whichever is greater) who approve of the speed hump(s) and have side or front yards on the street/ street segment for which I am applying.

---

III. I have read and understand the Speed Hump Information Form, and to the best of my knowledge this street/street segment meets the speed hump criteria presented in the Information Form. I also understand that if it is determined that my street/street segment meets the City's speed hump criteria, I will be required to obtain **additional** signatures to total 67% of all households residing on the street/street segment that approve of speed hump(s) on my street/street segment.
