**1. Public Comment**

**2. Proposed Renaming of Planned Public Parks in Recognition of Pittsburg Police Officers Killed in the Line of Duty**

An existing public park in the San Marco Development, adjacent to Delta View Elementary, was previously named Lasater Park in recognition of Officer Larry E. Lasater, a Pittsburg Police officer killed in the line of duty on April 24, 2005. There are two public parks currently in design or under construction in the southwest and downtown subareas of the City. The Subcommittee is asked to provide feedback to staff on a suggestion to name the two planned parks in recognition of Officer John J. Buckley and Inspector Raymond J. Giacomelli, two men who also died in performance of their duties as members of the Pittsburg Police Department.

**3. Proposed Fee for Maintenance of the City's General Plan**

On December 6, 2013, the Finance Subcommittee discussed a proposal by City staff to establish a new fee, to be added to certain building and/or development permits, to fund ongoing updates to the City's General Plan. The Land Use Subcommittee is now requested to provide feedback to staff on the proposed fee and proposed fee amount.
